**Early Bird Registration Draw
2006 ARRL Radio Amateurs Handbook
Register before May 30, 2006 and you could
Win!**

The British Columbia DX Club is proud to host the 51st annual Pacific Northwest DX Convention being held July 21-23, 2006 in beautiful Vancouver, Canada. This event promises to be memorable. Headlining a terrific line up of presentation speakers is Bob Allphin, K4UEE, whose DX credits are too vast to mention, but the 2006 expedition to Peter One Island is his most recent endeavor. Bob is an engaging speaker and will captivate the audience with his most recent exploits in the Antarctic. If you are an active DXer or contester Bob is in your log many times. Why not thank him in person?

A terrific line up of programs, presentations, great people, and a wonderful location. DX2006 could be the highlight of your summer! Book your hotel room ASAP.
